MAKE OFF GRID EASY WITH A POWER HUB

Simple & Secure

Power Hub's are an all in one solution which make installation simple and clean. Additionally, Power Hubs can be locked for security and safety.

Supported For Life

When you purchase a Power Hub you won't be left in the dark. Commodore & G-Solar are proud to provide specialised lifetime for every Power Hub owner.

Monitor Performance

Know exactly how your system is performing with our advanced monitoring tools. Allow your generator to automatically start too.
